

STATION 3

Find out if you have what it takes to be a forensic scientist by working through 5 online adventures to solve cases.

1. Click on the link below to get started with your CSI Experience.
2. Choose one of the cases that you want to investigate. (Hint: Start with Case 1: Rookie Training if you've never played before.)
3. If you would like to save your progress to finish a case or play later, you will have to REGISTER for an account. You will need to enter a username and password.
4. ENJOY!!!
